

**Pasture Dairy Center  
Outreach Internship**

**W.K. Kellogg Biological Station**

3700 E. Gull Lake Dr.

Hickory Corners, MI 49060

[www.kbs.msu.edu](http://www.kbs.msu.edu)

- POSITION:** The Michigan State University W.K. Kellogg Biological Station (KBS) Dairy is a pasture-based dairy with robotic milking. The dairy facility supports research, education, and outreach activities in the areas of animal health and welfare, dairy production, ecology, pasture management and food systems.
- The dairy outreach intern will work under the supervision of Mat Haan (Pasture Dairy Center Project Coordinator) to help develop programs and materials to achieve the education and outreach goals of the KBS Pasture Dairy Center.
- The intern is encouraged, but not required, to enroll in Animal Science 490 – Independent Study: Grazing Management & Automatic Milking. The course will be taught at the Kellogg Biological Station from May 6<sup>th</sup> through May 11<sup>th</sup>. Contact Miriam Weber Nielsen ([maw@msu.edu](mailto:maw@msu.edu)) for additional information about the course.
- LOCATION:** Michigan State University W.K. Kellogg Biological Station, Hickory Corners, MI. Approximately 65 miles southwest of the main MSU campus in East Lansing.
- POSITIONS DURATION:** Approximately 40 hours per week for 12 weeks during Summer 2012. Start and end dates are flexible.
- RESPONSIBILITIES:**
- Assist with development of outreach materials.
  - Assist researchers with data collection and analysis.
  - Assist with dairy tours and other public outreach events.
  - Other activities based on student interest and project needs.
- QUALIFICATIONS:**
- Familiarity with Microsoft Excel, Word, Publisher, and PowerPoint.
  - Strong writing skills.
  - Ability to work as part of a group and individually with limited supervision.
  - Good communications and people skills.
  - Basic knowledge of farm / livestock management is helpful but not required.
- STIPEND:** \$300 per week, stipend paid biweekly.
- HOUSING:** Room and board provided.
- TRANSPORTATION:** Work-related transportation provided.
- CONTACT:** Mat Haan, Pasture Dairy Center Project Coordinator  
e-mail: [haanm@msu.edu](mailto:haanm@msu.edu)  
Phone: 269-671-2360
- APPLICATION DEADLINE:** To apply, send resume and cover letter to Mat Haan by **March 11, 2012**. E-mail submission of applications is preferred.
